PORON® Medical Urethanes THE ORIGINAL

We invented **PORON® Medical Urethanes**, and there is still no other name to ask for. Today, many of you are buying soft tissue supplements, thinking they are **PORON®** materials. They aren't. **PORON® Medical Urethanes** deliver lasting comfort, support, and compression set resistance. Don't be misled – **PORON® Medical Urethanes** set the standard against which all other materials are judged. To learn more about our new, expanded line and technical advances, call us, or visit our web site today WWW.ROGERSCORPORATION.COM

The world runs better with Rogers.
