

DuploFLEX 7 Series

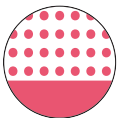

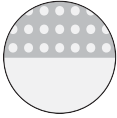

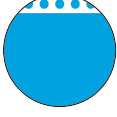

Premium Adhesive Plate Cushion Tapes for High-quality Printing

Easy to use and manufactured to the highest standards to deliver uncompromising performance, accuracy and flexibility for excellent printing results, every time.

- Easy repositioning without lifting the tape from the cylinder, whilst giving a reliable bond even during long runs with no plate lifting
- Easy and clean demounting without residue on either plate or cylinder
- Simple colour coding system for quick foam hardness recognition
- Innovative PET liner to reduce bubbles during mounting process
- High register accuracy due to fine tolerances of $\pm 0,03\text{mm}$

Quality print in the entire 0.55mm range.

	Desired print image	Foam	Product	Colour	Main application
	 Fine process work, highlights, very fine lines (minimised dot gain)	Soft	DuploFLEX 72031	Yellow on the cylinder side	<ul style="list-style-type: none"> ■ Delicate process printing ■ Highlights ■ Very fine lines ■ Minimised dot gain
	 Process work, brilliant halftones, fine lines	Medium soft	DuploFLEX 72032	Magenta on the cylinder side	<ul style="list-style-type: none"> ■ Process work ■ Halftone reproduction ■ Fine line graphics
	 Halftones and lines, a combination of solids, line work and screen	Medium firm	DuploFLEX 72033	White	<ul style="list-style-type: none"> ■ Optimum process and line balance ■ Ideal for combination printing ■ Accurate bar code printing
	 Solids, lines, large fonts (dense ink coverage)	Firm	DuploFLEX 72034	Cyan on the cylinder side	<ul style="list-style-type: none"> ■ Solids and line work ■ Reverse printing ■ Dense ink coverage ■ No pinholing

Product information

	Description	Thickness [mm]
Liner	White embossed PP film	0.13
Adhesive covered side	Acrylic, firm bond	
Adhesive open side	Acrylic, removable bond	
Carrier	■ DuploFLEX 72031: soft PE foam ■ DuploFLEX 72032: medium soft PE foam ■ DuploFLEX 72033: medium hard PE foam ■ DuploFLEX 72034: hard PE foam	0.55
Total thickness [mm]		0.68

Standard Roll Size 457mm x 25m

Note: 1260mm wide Log rolls available on request. Special sizes are available on request.

Pricing Information

1-9	Rolls:	\$495 per roll
10-19	Rolls:	\$490 per roll
20+	Rolls:	POA.

Note: Pricing is ex-works Sydney and excludes GST.

For best results Use Lohmann Toolbox Items

- *Lohmann Plate Squeegee (perfect application every time)
- *Lohmann Primer Solution (improves adhesion on all materials)
- *Lohmann Plate Roller (soft rubber compound for ease of use)
- *Lohmann Edge Sealing Tape (perfectly seals plate edges)
