Size 86cm(L) x 61cm(W)

ECO-Series Cleaning Products

CitraSolve™: Citrus based ink remover with pleasant citrus odour. Created from citrus peels and has strong solvency and can be used at low concentrations. Very versatile cleaning agent perfect for inks, grease or to remove sticky residue.

CitraGel™ Hand Cleaner: Citrus based hand cleaner with fresh citrus aroma. Premium quality, heavy-duty hand cleaner that contains pure citrus oils to quickly remove printing inks or contaminants. Formulated with soaps, surfactants, mild solvents and high-quality pumice plus lanolin to moisturise the skin.

Conventional Cleaning Solvents

White Spirits: Fast acting conventional cleaning solvent. White Spirit is a clear colourless solvent that is widely used across a variety of different industries and perfectly suited to printing industry use. Flashpoint of 42°C for a good solvency and medium evaporation to leave no residue upon drying.

Isopropyl Alcohol 100: Pure fast drying industrial degreaser and most popular product. Fast acting, just wipe, and within seconds it evaporates leaving no residue behind. Used for a variety of applications such as cleaning, disinfecting or to remove sticky residues. Fully miscible in water so you can dilute it down to suit your needs.

Premium Blue Wipes (MB24)

"The Printers Wipe" perfectly suited to all printing uses.

These 38cm x 38cm wipes are made from high quality viscose material.

Fully reusable for long life. Unaffected by solvents, they can absorb up to 9 times their weight.

- 12 cloths per pack
- 20 packs per carton.
